

WORK WITH US!

VACANCY: **Timber Sales Representative**

Become a key player in our timber sales team selling our high quality timber and timber products to furniture designers and makers, joiners and carpenters, timber framers and building companies

Based in glorious Cocking, West Sussex in the South Downs National Park

Key objectives;

- * To become a key team member of the sales team in the selling of products on our sales order processing system
- * To work with the Operations Manager to process sales enquires, quotes and orders.
- * To answer the phone and field sales enquires from customers
- * To respond to customer emails, calls and other correspondence including via our website and social media network
- * To build and maintain excellent customer relationships ensuring their needs are met in line with our company sales strategy
- * To accurately maintain the stock database by processing stock transactions
- * Visit customers in a sales capacity as and when required.

Salary: negotiable

View from the office: wonderful!
